# What the Owner Said:

Our family enjoyed this home for 23 years. So nice to have schools, shopping and bus all walking distance. Hazelnut Park was added just after we moved here and it's nice walking the trails. The large outside decks have always been a wonderful extension of our home in the summer. The large gardens are mostly perennials, so there is not a lot to gardening. Our hope is that this home will be cared for as we have, and will create many happy memories for the future owners.
